Birsen Gümüş
Graduated from Erciyes University Electronics Engineering in 2002 .
Currently, she is a graduate student at Gazi University, Institute of Science, Electrical and
Electronics Department. Her research interests include power quality, detection and classification
of power quality events.

Paper ID: 54-Performance Analysis of Machine Learning Algorithms on Power Quality
Disturbances Classification

Phone number: 0 537 494 04 29
