

Conference Paper Presenter

Paper ID : 112

Paper Title : Fault Classification and Location in Microgrid Using Artificial Neural Networks.

Mobile No. +919140903276

Author

Dharm Dev Kumar received his B.Tech degree in Electrical Engineering from Seth Vishambhar Nath Engineering Institute of Technology Barabanki, Uttar Pradesh, India, in 2019. He is currently pursuing the M.tech degree in Electrical Engineering with specialization of Power System Engineering from National Institute of Technology Warangal, Telangana, India. His main research interests include Application of Artificial Intelligence Technique in Power Systems, Power system protection and control.
