

Paper ID: 116-Energy Management of Wind Energy Hybrid Storage for Remote Area Power System

Authors: Mohammed Abdulelah Albasheri

Mohamed Abdulelah Albasheri received a Bachelor's degree in electrical engineering in 2015, and a master's degree in electrical control systems in 2017 from the University of Science and Technology of Oran–Mohamed Boudiaf, Currently, he is a PhD student at Laboratory de Recherche en Electrotechnique et Automatique, University of Médéa. His research interests include renewable energy sources, energy storage systems, hybrid systems, power management, and electrical machines
